**INTERESTING TO STOCK GROWERS.**  
I HAVE recently purchased in Kentucky, a Thoroughbred Stallion, and shall have him brought out so soon as the Ohio river is navigable, and make a season with him, next spring, at my residence, 5 miles east of Glasgow, on the Fayette road.  
With the advice and assistance of some of the most experienced horsemen in Kentucky, I think I have secured the best horse for the wants of this country, that can be found in the United States. He was sired by imported Hooton, who was owned from his first race in 1842 to his last race in 1849, jointly by the two celebrated members of the Turf, Col. Peel and Mr. Worthington, and was considered the best four mile horse in England. For his Pedigree, the Public are referred to the Turf Register; and for his performance, to the racing calendar. Young Hooton's dam was sired by Prince; Prince by Bear's Whalene, and he by Sir Archie.  
So soon as Young Hooton arrives, I will publish pedigree complete, with the terms of service, &c., &c.  
Young Hooton is a beautiful Iron Grey, 16 hands and 2 inches high, and 5 years old the 9th of May last.  
He took a prize in Lexington, Ky., in Sept. 1854, the only Fair at which he has ever been exhibited.  
I shall limit him the first season to 60 mares, and allow him to serve none but the best blood mares.
